Magic Quadrant for Enterprise Mobility Management Suites

The Enterprise Mobility Management landscape has changed considerably over the past several years – and it continues to evolve. Leaders responsible for mobile and endpoint strategies, must maintain focus on near- and long-term goals in this rapidly changing market. To help you prepare for the next wave of mobility management challenges, VMware has had to maintain its pace of innovation. That is why it's not surprising that VMware was recently named Leader in the Gartner Magic Quadrant for Enterprise Mobility Management for the seventh consecutive year. Read the Gartner report to learn more about their view of the EMM marketplace.
